

PETITION REGARDING OLD LONG LAKE ROAD NW
TURTLE LAKE TOWNSHIP
BELTRAMI COUNTY MINNESOTA

We, the people of Turtle Lake Township, Beltrami County Minnesota, petition the town board of Turtle Lake Township to record Old Long Lake Road NW as a 2 rod road (33 foot right of way). We stand opposed to the current proposal (Resolution No. 050321-2) of alteration of Old Long Lake Road NW to expand road easement area and recording the road as a 4 rod road (66 foot right of way). Turtle Lake Township has never maintained Old Long Lake Road NW as a 4 rod road dating back to 1899. Turtle Lake Township board should abandon their proposal and instead record and maintain the road in its original footprint of a 2 rod road, the width of actual use.

Furthermore, we petition Turtle Lake Township Town Board to designate Old Long Lake Road NW as a Rustic Road (MN Stat. 160.83), thereby preserving the roads natural beauty, old growth timber and the historic value of being in the original road foot print.
